

Description

Venture Lighting's Wallpack luminaires are low profile, lightweight, and designed for long life with low maintenance and great performance. These LED luminaires are designed to quickly and easily upgrade existing HID wallpack fixtures.

Construction

Rugged die case housing finished in a durable powder coat finish and with polycarbonate lens. The high-performance LED sources are mounted to ensure proper thermal management of the system. The design allows for a cooler running LED chip which leads to longer lifetime, better efficacy, and color consistency. The fixture has a gasket sealed to eliminate the threat of contaminants damaging the components. The standard fixture color is bronze, custom colors available upon request.

Electrical

The power supply has a range of 120-277V, 50/60Hz. The luminaires are rated for wet locations. Button photocell accessory can easily be mounted into the fixture. The Venture Lighting traditional style wallpack fixtures are not dimmable.

Mounting

Cast in template for wall mounting to a recessed junction box. The 120W Venture LED traditional style wallpack has the same footprint as 250W/320W/400W HID wallpacks.

Warranty

For warranty information refer to: www.venturelighting.com/resources/warranties

Notes

*Lumen maintenance data is based on LED testing per IESNA LM-80 and projected per IESNA TM-21.

Product Performance

Wattage	60W
Lumens	7050
Correlated Color Temperature (CCT)	4000K
Color Rendering Index (CRI)	80
Lumen Maintenance @50,000 Hrs*	81%
Life Hours	89000
Replaces HID Wattage	175W
Operating Temperature Range	-40°F to +104°F (-40°C to +40°C)

Physical Characteristics

Fixture Color	Bronze
Length	7.63"
Width	14.2"
Height	9.25"
Weight	15 lbs

Electrical Characteristics

Amperage Draw (Input Volts/Amps)	120/0.52 208/0.30 240/0.27 277/0.23
----------------------------------	-------------------------------------

Regulatory Qualifications

UL Listed

Rated for wet locations
